Executive Overview

Rural Mutual Insurance Corporation, a national top 50 property and casualty companies in the country, who provides a full line of insurance products exclusively to families, businesses and farms in Wisconsin with access to over 150+ agents and 100+ locations across the state.

- Rural Mutual Insurance aiming to better understand Azure DevOps best practices through partnering with nvisia, where nvisia will conduct an Azure DevOps health check and comprehensively review and assess Rural Mutual Insurance's current environment. The goal is to identify key opportunities for optimization and collaborate on a road map to close gaps in the current process that would drive results to the business units. This review and assessment includes finding areas for improving the SDLC with modern techniques processes.

Throughout this assessment, we aim to provide actionable insights, strategies and

Let's Connect. Build. Enable.

nvisia.com

recommendations to optimize your usage of Azure DevOps, enhance collaboration, streamline workflows, and improve overall efficiency.

Scope:

DevOps/Platform Engineering Review:

- People Scope
 - Skills and background by role
 - Team topologies, org charts and team KPIs
 - Focus on interactions between Dev, DevOps and Infrastructure
- Process Scope
 - Product/Project management
 - Review SDLC flow from ideation to production
 - Review artifacts and process configuration
 - Application Development (Inner-loop)
 - Application Stack, Architectures/Reference Architectures, solutions and projects.
 - Branch, Merge (trunk based) and semantic versioning
 - Local env for dev and local test (Dev containers?)
 - Lint and/or pre-commit checks
 - Push/Commit (Policies)
 - Downstream observability – pipelines and test environments to review logs and events
 - Dev/integration environment debug access (private network access)
 - DevOps (Outer-loop)
 - PR/Merge flow
 - Merge policies and approvals
 - Image and SCC tagging
 - Build and deploy pipelines to CI targets (Integration/QA/Production)
 - Promotion/approval/audits pipelines
 - Infrastructure (Application Target Platforms)
 - Platform as a services (Lifecycle)
 - Production Infrastructure (high-level)

Approach:

1. Review Azure DevOps Configuration: Evaluate the setup, configuration, and permissions of Azure DevOps Organization (Project Collections), Projects and Team Structures. This includes the use of Azure DevOps Boards, Repos, Pipelines, Test Plans, and Artifacts to ensure alignment with best practices and organizational objectives.
2. Review Application SDLC flow in Azure DevOps: Review the flow, from ideation, to requirements, release planning, feature development, code merges, pipelines and approvals to production. Looking for improvement opportunities and gaps in best practices. This includes automation practices with CI/CD pipelines, deployment strategies to identify opportunities for increased automation and improved workflow orchestration.
3. Review team topologies and interaction patterns: Analyze team collaboration patterns and communication channels, looking for opportunities to enhance collaboration, transparency, and productivity across the entire lifecycle.
4. Deep dive on Power Platform (PowerBI and PowerApps) environment: Assess current ALM/SDLC practices for the PowerBI and Power app development, approval, and deployments.
5. Discuss Hybrid Options for Agile/Waterfall: Walk through the existing project methodology and how tasks get added, prioritized, implemented, and then released. Discuss alternatives and potential hybrids that could be a better fit and the pros/cons of these methodologies.

nvisia will work closely with Rural Mutual Insurance Corporation to identify areas for improvement and address any potential gaps.

Expected Deliverables:

1. Documentation of a customized action plan and prioritized recommendations for optimization at Rural Mutual Insurance.
2. Presentation of findings and recommendations to key stakeholders at Rural Mutual Insurance.

nvisia will start with Rural Mutual Insurance at a reasonable and agreed upon time once the SOW has been executed.

Resource Summary

We anticipate a team of two senior level resources to complete this engagement with an estimated 28 hours of effort to complete client-facing and analysis tasks. This will be on a time and materials basis for an estimated 28 hours at an estimated cost of \$5,800.

The following resources will be provided by **nvisia**.

Resource	Discounted Hourly Rate	Standard Hourly Rate	Hours	Estimated Cost
VP of Cloud & DevOps	\$200	\$350	14	\$2,800
DevOps Client Partner and Principal Architect	\$200	\$275	14	\$2,800
			Total:	\$5,00

Assumptions

nvisia will require timely access to Rural Mutual Insurance Corporation personnel to provide requirements for the development, and feedback on the design and priority of each feature.

Completion Criteria

nvisia shall have satisfied its responsibilities under this Statement of Work when 1) the Deliverables have been provided; or 2) **nvisia** has provided the specified number of person-days/hours of services; or 3) the mutually agreed upon project end date expires; or (4) **Rural Mutual Insurance** terminates this Statement of Work with a minimum of twenty (20) business days' notice, whichever occurs first. In the event that **Rural Mutual Insurance** elects to terminate this SOW with less than the required twenty (20) business days' notice, then for each business day less than the required twenty (20) business days **Rural Mutual Insurance** has

terminated this SOW (the "Early Termination Period"), client shall pay to **nvisia** as liquidated damages and not as a penalty, the amount of billings **nvisia**'s consultants would have billed during the Early Termination Period, determined, if necessary, by the Estimated Cost Section of this SOW. For the avoidance of doubt, all invoicing by **nvisia** and payments by **Rural Mutual Insurance** shall operate in accordance with the procedures outlined in the CSA.

Agreement Parameters

This section defines the scope of work to be accomplished by **nvisia** under the terms and conditions of the Consulting Services Agreement ("CSA"), signed between **nvisia** and **Error! Reference source not found. on 5/24/2024**. This CSA contains the general contract terms, which will govern the performance of the Services pursuant to the SOW. This CSA addresses payment terms, intellectual property rights, warranty, insurance, and other matters. This Statement of Work and the CSA (and any applicable Attachments) represent the complete agreement ("Agreement") between the parties regarding this transaction and replaces any prior oral or written communications. Changes to the Statement of Work will be processed in accordance with the procedure described in the CSA.

The investigation and the implementation of changes may result in modifications to the Estimated Schedule, Charges, or other terms of this Agreement.

Under this SOW, **nvisia** will guide, assist and materially contribute to the Project by providing the Services and Deliverables as further set forth herein.

Commitment Signatures

At **nvisia**, **Your Success** is our success. On behalf of everyone at **nvisia**, thank you for the opportunity to present this statement of work to assist with your 2024 initiatives and goals. Should **Rural Mutual Insurance** choose to pursue this SOW, once executed, the formalized CSA and SOW will govern the relationship and supersede any prior communications.

Approval

By signing below, **Rural Mutual Insurance** and **nvisia** agree that the complete agreement between the two companies regarding these Services consists of 1) this

SOW, 2) **nvisia** non-disclosure agreement (or any equivalent agreement signed by both of us) and 3) the CSA. Once signed, any reproduction of this SOW by reliable means (for example, photocopy or facsimile) is considered an original, unless prohibited by local law.

By signing below, **Rural Mutual Insurance** also agrees that this proposal will become the SOW effective for this project. No work shall begin under this SOW until an executed SOW is returned to **nvisia**.

If **Rural Mutual Insurance** internal processes require a purchase order for **nvisia** to invoice the Services rendered under this SOW, the purchase order (which must reference this SOW number) should be faxed to **nvisia**'s Chicago office at (312) 985-8101 before work commences.

Agreed to and accepted by

Rural Mutual Insurance
