Executive Overview

As Alight looks to scale and modernize their systems they have chosen to partner with nvisia to add expertise and velocity in software architecture & development to their teams as they modernize several different aspects of their technology business.

Through this Statement of Work nvisia will provide technology and process expertise that can assist them in bringing full product development experts embedded into their teams, providing an immediate increase in quality, velocity, and best practices. While equipping their teams with new skills and a culture of craftsmanship.

To help ensure the success of this effort, Alight is partnering with nvisia to provide five consulting resources that will work on priorities as directed by Alight. These resources will have a combination of full stack capabilities that include architecture, cloud, devops, development and agile leadership.

Alight will set the priorities of the team, while nvisia will deliver the work in line with the existing team's agile methodology.

The work will last from Tuesday, January 2nd, 2024 - Friday, June 28th, 2024, at an estimated investment of \$823,296.

Approach

nvisia will follow an agile development process to deliver services within this statement of work. This means nvisia and Alight will work closely to prioritize the work.

Resource Summary

The following resources will be provided by **nvisia**. Work will be provided on a Time and Materials basis. The team will have an estimated start date of January 2nd, 2024 - Friday, June 28th, 2024, at an estimated investment of \$823,296.

Roles and Responsibilities

Role	Responsibilities
Principal Architect	✓ Architect to define and implement project-level technical standards, guidelines, metrics, architectures, and processes. ✓ Responsible for technical oversight of the software solution. ✓ Technical expertise expands to multiple technologies, frameworks, systems. ✓ Contributes to project velocity
Lead – Senior Engineer	✓ Strong Software Engineer with the experience and ability to mentor a technical team. ✓ Develops the most critical areas of the system while providing designs, guidance and code reviews for other developers.
Software Developer (3)	✓ Day to day development ✓ Writes high quality, reusable, code. ✓ Executes system and unit tests.

Resource	Standard Hourly Rate	Discounted Hourly Rate	Estimated Start Date	Estimated Hours	Estimated Investment
Principal Architect	\$225	\$212	1/2/2024	1,024	\$217,088
Lead - Senior Engineer	\$180	\$172	1/2/2024	1,024	\$176,128
Software Developer	\$145	\$140	1/2/2024	1,024	\$143,360

Software Developer	\$145	\$140	1/2/2024	1,024	\$143,360
Software Developer	\$145	\$140	1/2/2024	1,024	\$143,360
				Total Estimated Investment:	\$823,296

Assumptions

This statement of work is based on the following assumptions:

- Alight will provide timely access to business stakeholders and key users.
- Alight will provide timely access to any systems and/or assets needed.
- Alight will provide timely feedback to all deliverables tied to this statement of work.

Completion Criteria

nvisia shall have satisfied its responsibilities under this Statement of Work when 1) the Deliverables have been provided; or 2) **nvisia** has provided the specified number of person-days/hours of services; or 3) the mutually agreed upon project end date expires; or (4) Alight terminates this Statement of Work with a minimum of ten (10) business days' notice, whichever occurs first. In the event that Alight elects to terminate this SOW with less than the required ten (10) business days' notice, then for each business day less than the required ten (10) business days Alight has terminated this SOW (the "Early Termination Period"), client shall pay to **nvisia** as liquidated damages and not as a penalty, the amount of billings **nvisia's** consultants would have billed during the Early Termination Period, determined, if necessary, by the Estimated Cost Section of this SOW. For the avoidance of doubt, all invoicing by **nvisia** and payments by Alight shall operate in accordance with the procedures outlined in the SFA.

Agreement Parameters

This section defines the scope of work to be accomplished by **nvisia** under the terms and conditions of the Supplier Framework Agreement dated July 3, 2023

("SFA"), signed between **nvisia** and Alight. This SFA contains the general contract terms, which will govern the performance of the Services pursuant to the SOW. This SFA addresses payment terms, intellectual property rights, warranty, insurance and other matters. This Statement of Work and the SFA (and any applicable Attachments) represent the complete agreement ("Agreement") between the parties regarding this transaction and replace any prior oral or written communications. Changes to the Statement of Work will be processed in accordance with the procedure described in the SFA. In the event of any conflict or inconsistency between the terms of this SOW and the SFA, the SFA shall control as provided by Section 17.12 of the SFA

The investigation and the implementation of changes may result in modifications to the Estimated Schedule, Charges, or other terms of this Agreement.

Under this SOW, **nvisia** will guide, assist and materially contribute to the Project by providing the Services and Deliverables as further set forth herein.

Commitment Signatures

At **nvisia**, **Your Success** is our success. On behalf of everyone at **nvisia**, thank you for the opportunity to present this statement of work to assist with your 2024 initiatives and goals. Should Alight choose to pursue this SOW, once executed, the formalized CSA and SOW will govern the relationship and supersede any prior communications.

Approval

By signing below, Alight and **nvisia** agree that the complete agreement between the two companies regarding these Services consists of 1) this SOW, 2) **nvisia** non-disclosure agreement (or any equivalent agreement signed by both of us) and 3) the SFA. Once signed, any reproduction of this SOW by reliable means (for example, photocopy or facsimile) is considered an original, unless prohibited by local law.

By signing below, Alight also agrees that this proposal will become the SOW effective for this project. No work shall begin under this SOW until an executed SOW is returned to **nvisia**.

If Alight internal processes require a purchase order in order for **nvisia** to invoice for the Services rendered under this SOW, the purchase order (which must

reference this SOW number) should be faxed to **nvisia**'s Chicago office at (312) 985-8101 before work commences.
